

### 3 ARMY FUGITIVES HAD COUNTRY HOME

Enjoying House in Mountains When  
Caught—Left Governor's Island  
in a Rowboat.

MIDDLETOWN, N. Y., April 2.—Three long term prisoners who escaped from Governor's Island last Thursday were surprised and captured yesterday in the summer home of Mrs. Bertrand of New York in the mountains near Milford, Pike County, Pa., by Sheriff Wood and a posse.

A neighbor saw lights in the Bertrand place at midnight last night. A telephone call brought the Sheriff and his men. Arraigned before Justice Ludwig on a charge of burglary, the three admitted their escape. They were returned to Governor's Island of New York, serving a thirty-year sentence for manslaughter, committed while he was with the American expeditionary forces in France; Michael Parnice, serving a term for felonious assault on a tailor in New

York City, and Joseph White of Newark, imprisoned for an attempted jail delivery from Fort Jay.

### CHICAGO CLERKS YIELD.

Agree to Arbitrate and Return to Work To-Day.

CHICAGO, April 2.—The City Hall strikers have accepted Mayor Thompson's arbitration plan and return to work to-day.

The Fire Department engineers have served notice they will not work with

any outsiders who may join the department, and have signed resignations, to go into effect April 7, unless their full demands are met.

### WAGE WAR ON BEAVERS.

State Orders Their Extermination as Cause of Floods.

ALBANY, April 2.—Game protectors and forest rangers were issued orders to-day by Conservation Commissioner George D. Pratt to wage a relentless war upon the beaver.

They were instructed to take the

initiative in tearing out beaver dams and destroying beaver houses where extensive damage is being caused by the flooding of property because of dams the animals have built.

### BALLOT INSPECTORS OUSTED

Hines Sees Attempt to Return to Old Tammany Methods.

Jimmie Hines, who is fighting to retain his leadership in the 11th Assembly District, to-day charged that "an attempt is being made to go back to old Tammany Hall methods" as a result of

the unexpected removal late yesterday of the election inspectors who sit in primary contests in the district.

Hines is running against State Senator Abraham Kaplan for State Committeeman and in various court actions has been successful in having his nominees kept on the ballot. David H. Knott, Chairman of the County Committee, yesterday filed with the Board of Elections a legal notice ousting the present inspectors. Hines's lawyer claims this closely followed the return of Philip Danahue, Treasurer of Tammany Hall, from Atlantic City where Leader Murphy is staying.

## Cranberries Are Nature's Spring Tonic!

Fine in the winter months—  
better yet in the languid early  
spring months.

The tonic tang of this crimson,  
health-giving fruit will aid the  
jaded appetite. Great as a  
spread for bread, and the  
tastiest relish with all meats  
—hot or cold,

Serve cranberries often.

This recipe requires but one-  
half the usual amount of  
sugar. Try it!

#### Cranberry Sauce

No. 1.—One quart cranberries, 1 pint water, ¼ level  
teaspoon salt, 1 cup sugar.  
Bring the water and salt together to a boiling point.  
Pick over and wash the cranberries, put them into the  
pot of boiling water and cook rapidly for 5 minutes, or  
until the skins of the berries have broken. Cool slightly,  
add the sugar, bring to boiling point, and cook slowly  
for additional five minutes.

No. 2.—One quart cranberries, 1 pint boiling water, ¼ of  
a cup of syrup, ¼ of a cup of sugar.  
Boil the syrup, sugar and water for 5 minutes, skim if  
necessary. Add the berries, and cook without stirring  
until all the skins break—about 5 minutes over a hot fire.

A quart of cranberries will  
serve 12 persons. They have  
no waste. All of the fruit is  
used.

Easy to prepare. Economical.  
Delicious.
